The Selectmen have met at least two nights a month and at various other times as the need arose.

The road at the Industrial Park, known as the Seward Road and Moore Avenue, was completed at a cost of \$7,060.00.

At the Town Meeting in March, 1961 the voters decided to buy additional land for future expansion of the Cemetery in the Cheney Hill area. This land, consisting of about four acres, was purchased from Mr. and Mrs. Wallace Fish.

At the time the Post Road work was started (about three years ago) it was necessary to blast ledge near Cyrill Senecal's home. The flow of water in his well was interrupted and it had to be redrilled. This was completed last fall at a cost of \$1,377.50.

The Selectmen have set up a budget and recommended a tax rate of \$1.15 to take care of the General Fund for the coming year.

Respectfully submitted,

BYRON J. HATHAWAY,

WALTER J. PATCH,

WILLIAM N. SHARP,

Selectmen, Town of Rutland, Vt.

**RUTLAND TOWN SCHOOL DISTRICT
REPORT OF THE SCHOOL DIRECTORS
AND SUPERINTENDENT**

The Board was saddened in April by the passing of one of its members, Mr. Myron J. Beebe, who had served the School District faithfully for many years.

The Board of Selectmen appointed Mrs. Anne K. Houghton, a former member of the Board, to serve in Mr. Beebe's place for the balance of the year.

For several years, immediately after the schools have closed in June, your Directors and Superintendent have inspected all of the school buildings and determined the amount of work necessary to bring the buildings into satisfactory condition for the following school year, and at the same time give consideration to alterations and/or additions. There follows a report of the work which was done prior to the opening of the present school year.

Center Rutland School

Installed rest room on main floor for the teachers. Painted walls in classrooms 1 and 2, entrance hall, conference room and Town Hall. All floors, including the Town Hall, were thoroughly cleaned and resealed. Replaced all broken glass. Washed the exterior front wall of the building, and provided new treads for stairways to the basement. Inspected heating system and made necessary repairs.

Cheney Hill School

Installed new oil furnace and electric water heater. Replaced all broken glass. Painted exterior rear wall of building. Washed and resealed all floors. Painted all woodwork in the basement. Replaced treads and risers in stairway to basement. Replaced base of flagpole and repaired the fence.

Dyer School

Installed new pump. Repaired roof. Washed and resealed all floors. Painted walls and woodwork in both classrooms as well as ceiling and floor in basement. Replaced treads in stairway as needed. Replaced all broken glass.

Haiti School

Installed new oil furnace and electric water heater. Replaced shingles as needed. Washed and resealed all floors. Painted front of building and stairway walls. Agreed to pay the full cost of modest playground equipment in lieu of any advance of funds for the hot lunch program.

In addition to the above we purchased such desks and tables as were needed for the several schools.

For the past several years, the voters of the Town have voted a sum of \$80.00 for a scholarship at Castleton Teachers College. This year the scholarship was awarded to Martha Beebe.

Other school activities:

Center Rutland School. Health clinics have become an important part of the total school program. The members of the Parent Teachers Association through their generous volunteer work have made it possible for this program to be the success it is. Mrs. Clarence Olson, health chairman, Mrs. George Miglis, who handled the financial part of the dental clinic, and the many volunteers who helped in any way deserve a vote of thanks.

According to Mrs. Olson's report, clinics were held in January, April and October, when 35 children received complete physical and 52 shots were given. Dr. Emmett Fagan, Dr. Arthur Wolk, Dr. Emilie Perkins and Mrs. Veronica Williams, P.H.N., served at these clinics.

During the summer months 117 shots were given at the polio clinic. William Layden, intern, and Jean Bacceti of U.V.M., worked at this time.

The dental clinic, starting in September and finishing the first week in January, served children from all town schools plus a few pre-school children. Mrs. Dan Randall was our dental hygienist. Sixty children received fluoride treatments and 31 had their teeth cleaned. All children had eyes and ears checked and weight and height taken. 75,000 vitamins were ordered for our school.

Mrs. William Sharp, school lunch chairman, is also to be congratulated on the splendid work she is doing. In addition to organizing and planning the program, she prepares the meals and is in charge of selling meal tickets to the children. Last year, 8,341 meals were served school children and 414 to adults.

Many school activities give the students the opportunity to develop leadership, accept responsibility, respect authority and

be courteous and considerate of the rights of others. The school has an active student government association. Under the guidance of teachers, weekly meetings of the Safety Patrol and frequent meetings of the student council and assembly give children an opportunity to discuss and solve many of their own problems.

Other activities include the school newspapers, state and soil conservation essay contest, glee club, the annual music festival and holiday observances.

Field trips included a trip to the Rutland Daily Herald by the fifth grade and a trip to the Vermont legislature by the seventh and eighth grades.

All eighth grade students visited Rutland Junior High School or Mt. St. Joseph Academy in April.

Members of the School Safety Patrol enjoyed State Patrol Field Day held at the Rutland Fairgrounds.

The P.T.A. sponsored a patrol party in May to show parents' and teachers' appreciation for the splendid service rendered the school by School Safety Patrol.

Cheney Hill School. There have been many worthwhile activities beside the regular school work in which the pupils have participated. These have included the following:

January—The third grade went on a field trip to Rutland City to visit the Rutland Free Library, the Post Office and the Rutland Fire Station.

February—A Valentine party was held at the school with pre-school children expecting to attend Cheney Hill School in September, as guests. The third grade pupils helped in organizing the games, delivering the Valentine mail and also serving the refreshments.

May—The annual spring concert, under the direction of Mrs. Geno, was presented with all pupils participating. This was a variety program showing many interesting phases of the year's work in music.

June—"Step-up Day" was observed the last week of School. The third grade visited the Center Rutland School and prospective first graders visited Cheney Hill School. The annual school picnic, which the P.T.A. helped to sponsor, was held at Storytown U.S.A. Here the children enjoyed touring the grounds of Mother Goose Land, the jungle area and nearby Ghost Town.

October—All grades participated in a science treasure hunt for "Wonders of Nature." A Halloween party was held at the

school. Second and third grade pupils were in charge of entertainment and refreshments.

November—The school lunch program was started in November with Mrs. George Livak as the agent. Nourishing lunches are prepared daily by Mrs. Carleton Champine and served to all pupils. The Cheney Hill P.T.A. help to sponsor this project. During American Education Week many parents visited school to observe regular school work.

December—The annual Christmas entertainment was presented by the pupils. The program consisted of songs, a rhythm band selection and three plays. A Christmas party was held for the pupils on the closing day of school.

Dyer School. Student activities included trips to the Rutland Free Library, a trip to Montpelier, where the students visited the Capitol and witnessed our legislature at work making or changing laws. The School Safety Patrol, with the co-operation of Cpl. Smith of the Vermont State Police, is constantly on the alert patrolling the school children along heavily traveled Route 7 and the Cold River Road.

The music festival held in April was again well received by a capacity audience. The Student Council conducts monthly meetings and arranges all school activities. This would include Valentine Day, Memorial Day activities, Halloween, Education Week Program and Christmas activities.

To date, a total of \$282.89 has been saved by the students. This savings plan, with the cooperation of the Marble Savings Bank, encourages the children to save and watch their savings grow. Their savings are deposited weekly.

The agent for the school lunch program is Mr. George DuBray, and Mrs. Donald Ryan is responsible for preparing and serving daily lunches to all the pupils. The members of the Parents' Club have generously donated time and assistance in sponsoring this lunch program, as well as school dances, food sales, helping at health clinics, conducting the ear tests and sponsoring the school picnic held each year at Lake Dunmore.

Haiti School. Mrs. Edson Goodrich is the agent for the school lunch program, and daily lunches are prepared and served all the children by Mrs. Charles Thompson. Our Community Club continues to sponsor this lunch program, as well as our health clinic and school parties. This year, a special bridge and

whist party was held to raise funds for the purchase of curtains for the stage. These were installed just before our Christmas program.

In addition to our regular activities, the students became interested in locating and recognizing several species of ferns last spring.

During our unit study on Indians, Mrs. Alfred Pulling shared her Indian collection with us and gave a very interesting talk explaining the items.

Mr. Cotrupi showed movies to us several times on a soil conservation theme.

Miss Madeleine Ganter, a student at the University of Vermont, from Strassbourg, France, has spoken to the class twice about schools in her country.

In order that your Board may give annual consideration to the needs of additional class room space, a census is taken of pre-school children throughout the Town. The results of this census make it possible to plan the allocation of children to their particular class rooms in any of the four school buildings. The results of the census taken in 1961 are given below:

	1962	1963	1964	1965	1966
Center Rutland	12	10	6	7	10
Cheney Hill	4	7	9	6	3
Dyer	2	1	0	2	2
Haiti	3	5	6	3	5
Mill Village	2	1	2	5	2
Post Road	4	2	3	1	6
	—	—	—	—	—
	27	26	26	24	28

Pupils from the Mill Village and Post Road areas go to either the Cheney Hill or the Center Rutland school for primary grades, but some may occasionally have to be assigned to the Dyer school. Upper grade students within the Haiti area are usually assigned to the Dyer school.

A generous amount of school lunch commodities received from the State since September has included: frozen meat, turkeys—350 lbs., chicken—300 lbs., beef—250 lbs., butter—320 lbs., canned and packaged food, applesauce—350 lbs., cherries—120 lbs., apricots—240 lbs., corn—240 lbs., green beans—240 lbs., dry milk—300 lbs., flour—550 lbs., peanut butter—

240 lbs., lard—150 lbs. and cheese—450 lbs. Bulk shipments make it necessary to add more freezer space at the Center Rutland school, as receiving point, now that convenient public freezer space is difficult to find.

Only one change of teachers took place, as John Robinson accepted a position at the Proctor Junior High School, and John Sughrue, a Castleton Teachers College graduate, took his place as teacher of grades 7 and 8 at Center Rutland.

We commend the P.T.A. and other parent groups who have given of their time and made contributions to various projects, including the hot lunch program. Due to some of these groups being short of funds to start their programs, your Board has advanced school funds with the understanding that the aforementioned group would continue to raise money as they have in the past, and any surplus funds after the programs are completed are to be returned to the school funds.

The employment of competent teachers, the providing of necessary transportation, the cost of tuition for higher education, as well as providing heat, light, and other items, steadily increases year after year. A comparison of this cost is of interest. The budget for the school year 1951-52 was \$51,012.94, and for the year 1962-63 it will be approximately \$116,730.00. The grand list at the start of 1953 was \$20,823.00, and at the start of 1960 it had increased to \$25,034.00.

Notwithstanding that our budget expense for the 1962-63 school year is considerably in excess of the present school year, your Board is confident that we can maintain our present standards without increasing the tax authorized at the 1961 Town meeting. We therefore request and recommend that a tax of \$3.30 be voted. We do receive a goodly amount of State aid, and we are counting on receiving at least the same amount in 1962 as received in the previous year. It is well to keep in mind, that whereas we receive the aforementioned financial assistance, in the end it falls on the taxpayers of the state and the townships and cities to provide the funds.

We express our appreciation to the P.T.A. associations and parents' groups of the several districts, to the teachers for their efficient and generous services, and to all others, who have in any way contributed to the successful operation of our schools.

Respectfully submitted,
ALVA T. HOWE,
ANNE K. HOUGHTON,
VERONICA GUIMOND, School Directors.
FRANK O. STILES, Superintendent.

WARNING

The legal voters of the Town of Rutland and the Town of Rutland School District are hereby warned to meet at the Town Hall in Center Rutland, on Tuesday, March 6, 1962 at ten o'clock A.M. to act on the following matters, namely:

1. Shall the voters empower and authorize the Selectmen to appoint one or two Road Commissioners?
2. Choose all necessary officers required by law.
3. Shall the Town vote to raise money by tax or otherwise to pay current expenses of the Town, Overseer of the Poor, Highway, and County? If by tax, how much?
4. When and to whom shall the taxes be due and payable?
5. Shall licenses for the sale of Malt and Vinous Beverages be granted in this Town?
6. Shall Spirituous liquors be sold in this Town?
7. Shall the voters authorize the Selectmen to borrow money in anticipation of taxes?
8. Shall the Town vote to take advantage of the Town Highway appropriation granted to the towns by the State, provided the Town spends not less than (\$50.00) Fifty Dollars per mile of their own money on town roads outside of Winter Maintenance as provided by Sec. 19 of No. 250 Public Acts of 1957, as amended?
9. Shall the town vote its officers salaries? If so, how much?
10. Shall the Selectmen be authorized to enter into an agreement with the City of Rutland, for the use of the City Dump, based on population, at the rate of 40c per person with the minimum of not less than (\$500.00) Five Hundred Dollars annually, subject to the rules and regulations governing the Rutland City Dump?
11. Shall the Town School District vote to raise money by tax or otherwise to pay current expenses of the School District? If so, how much?
12. Shall the School Board be authorized to borrow money in anticipation of taxes?

13. Shall the Town School District pay tuition for the higher education of the scholars of said District? If so, how much?

14. Shall the Town School District vote a sum of money not to exceed (\$80.00) Eighty Dollars for a scholarship to be awarded a worthy high school graduate of Rutland Town, who wishes to enter an institution of higher learning, particularly a Teacher's Training College?

15. Shall the voters of Rutland Town authorize the Rutland Town School Board to enter into a contract for transporting students attending elementary grades in Rutland Town Schools for a period of not more than (5) five years?

16. Shall the voters of Rutland Town School District authorize the Rutland Town School Board to secure options to purchase on one or more properties consisting of not less than (10) ten acres and which meet the requirements of the State Board of Education, if used for school purposes and place the question of purchasing before the voters of Rutland Town at either a Special or Regular town meeting?

17. Shall the Town vote to approve an appropriation of One Thousand Dollars (\$1,000.00) to secure the use of Rutland Free Library to the inhabitants of the town?

18. Shall the Town authorize the Auditors of the Town to employ the services of an accountant from the office of the Auditor of Accounts as provided for in Title 24 Sections 1692-1697 V.S.A. to conduct an audit of the accounts of the town?

19. To transact any other necessary, legal and proper business, which may come before said meeting?

Articles No. 1, 3, 4, 9, 11, and 13 will not appear on the Australian Ballot and will be taken up at 1:30 P.M. The Polls will close at 3:00 P.M.
